Enabling everyone to cycle

‘Dr Bike Workshop’

**For workplaces,
schools and
community events**

Our Dr Bike workshops provide free bike checks, adjustments and repairs while you wait.

We are self contained needing a minimum space of 4m x 5m to erect our gazebo. We bring full tool kit, workstands and spare parts.

As well as checking and adjusting bikes we can replace inner tubes, brake and gear cables, brake blocks (rim brakes not discs), grips, pedals and chains free of charge.

Our workshop always has two mechanics minimum to reduce waiting times.

Our mechanics are City & Guilds trained bicycle mechanics. Have current first aid training and insurance to carry out bike repairs.

Cost of workshops:

All within 25 mile
radius of Chesterfield.

£300.00

Open 3 hours on site.

£350.00

Open 4 hours on site.

Discount of £50.00 per
session if booking 2 or
more.
